8. The owner of cattle for the show are expected to take due care of their animals and guard against accidents.

9. Owners will do well to make their own arrangement for providing their cattle with fodder, as the local supply which will be made available at reasonable rates may not suffice to meet the requirement of more than the limited number of cattle adjudged suitable for the exhibition.

10. The jatra is generally well attended and will afford a good market for dealers in cattle.
